

Now that your petition is signed, we'll file it with the court.

You'll get your case number on your Helpdesk.

Here are your next steps:

Complete your financial management – IMPORTANT! You'll receive offers from other companies wanting you to use their After-Filing Course – Ignore them. You've already paid for Moneysharp. Please complete this before your trustee meeting. Log on to Moneysharp.org the same way you did for the first course.

Send us on the helpdesk your full month bank statement for each account you have. The court requires that you provide the entire month statement for the month that we are filing.

Special note for Chapter 13 Cincinnati. The trustee requires you to continue to send us your pay stubs until we meet with the trustee.

MAKE YOUR PLAN PAYMENT BY TFS 28 DAYS AFTER FILING

Go to tfsbillpay.com - sign up for an account.

Attend your trustee meeting. This will be in about 3 - 5 weeks. We'll let you know in advance the date and time.

This will be a conference call.

After this meeting, you'll be enrolled in Rick's Credit Recovery Club, our online program to help you quickly recovery your credit.
