

MAKE YOUR PLAN PAYMENT BY TFS 28 DAYS AFTER FILING

Although clients will make their chapter 13 payments by payroll deduction, EVERYONE will make their first plan payment using the TFSBILLPAY system.

Go to [tfsbillpay.com](https://www.tfsbillpay.com) - sign up for an account.

Do not attempt to set up your account until at least 5 days after your case has filed. This will allow the TFS to set up their account. It takes a few days for your case information to become available to TFS.

You will link one of your bank accounts to tfs for your ch 13 plan payment.

Schedule your first payment for 28 days from the date you filed your case.

TFS has a lot of helpful information on their site.

Here is the link to the signup page.
